

Remarks

In this Response, applicant's have amended claim 28 so that the subject matter of claims 35 and 36 is incorporated therein. Claims 35 and 36 have been canceled. Claim 35 had originally depended from claim 28 and was rejected while claim 36, which had been objected to, depended from claim 35. By amending claim 28 to include the subject matter of both claims 35 and 36, claim 28 becomes allowable as do the claims which depend from it, including claims 29-34. Claim 37, which originally depended from claim 36 has been amended so as to depend from now allowable claim 28 and is therefore likewise allowable.

Applicant's believe that by amending the claims as they have, claims 28-34 and 37, which remain under consideration in this application, are allowable and earnestly request a Notice of Allowance with respect thereto.
